

PDF-Note Free: A Quick Tutorial

- free, fast, intuitive, fully-functional
- unobtrusive advertisements
- easy to organize, share, and upload documents

Useful Gestures:

- 1) Two-finger Tap: Reveal Menu when in “inking mode”
a. Practice: Turn on the highlighter and color in the sun:
- 2) Three-finger Tap: Change inking tool
a. Practice: Turn on the eraser and erase part of your sun coloring
- 3) Three-finger Swipe to the left/right: Undo/Redo
a. Practice: Undo and then Redo the erasing you just did
- 4) Two-finger Swipe to the left/right: Flip pages
a. Practice: Flip to the next page

Sharing/Uploading:

- 1) Two-finger Tap to reveal Menu
- 2) Press the “Share/Open-In” icon on the lower-left of the screen: 
- 3) Click “Flattened PDF” (*this will turn your inking into an image*)
- 4) Select “to open-in” for Schoology (or “to clouds” for Dropbox)
- 5) Upload this document to Schoology under “PDF-Notes Assignment”

Other Tips:

- 1) You can adjust brightness, search for keywords, or navigate using the scrollbar.

Coloring Book Page

- practice inking and gestures
