Schoology: An Overview of Features

- free, easy to use Learning Management System
- includes social functionality of Facebook
- includes gradebook, polls, quizzes, and a homework dropbox

Create Polls and Quizzes

Christopher Grattoni
How will your district be utilizing iPads in the 2013-2014 school year?

- My students will have an iPad (or other tablet) in class and will take it home at night.
- We will have a classroom set of iPads (or other tablet) that they will use in class (but not take home)
- Students will bring their own device.
- We are not implementing a 1-to-1 program next year.
