

JB PRITZKER

A STRONG VOICE FOR WORKING FAMILIES

Pritzker has been making a difference in Illinois his entire life. From helping to create thousands of new jobs to expanding the state's school breakfast program to supporting the Center for Wrongful Convictions, Pritzker has improved the lives of Illinois families. He will continue that work as your next governor.

✓ Defending the Rights of Working People. Pritzker is committed to protecting the rights of workers to speak up and negotiate together for better wages and working conditions. And he will fight for an enforceable prevailing wage and strong project labor agreements. (Candidate website, accessed 2/5/18)

✓ Investing in Illinois. Pritzker will reinvest in distressed communities to stimulate growth and create new jobs. He will leverage federal funds to invest in surface, rail, water and broadband infrastructure across the state and make Illinois an appealing place to live and work. (Chicago Sun-Times, 2/2/18)

✓ Creating Good-Paying Jobs. Pritzker knows how to create jobs. He will revitalize Small Business Development Centers and help start new businesses across the state. And he will make sure these are good jobs by supporting a living wage and equal pay for equal work. (Chicago Sun-Times, 2/2/18)
