

Legislative Director Report: North Cook County/Lake County

Gerri Songer – *June-August 2018*

Thursday July 12-16, 2018

Attended *AFT Convention 2018* in Pittsburgh, PA. See AFT Delegate Report.

Monday August 6, 2018

Attended *Meet and Greet With Bob Morgan and Julie Morrison* in Highland Park. Spoke with both Morgan and Morrison. Both support legislation that allows those who are 18+ years of age with special needs to be placed on missing list similar to children rather than police districts treating them in the same manner as adults. Much of the focus was on healthcare. Morrison advocates shutting down inadequate healthcare facilities but offered no alternative. Both support 3% salary increase limit for educators. Morrison stated Tier I teacher pensions remain an ongoing issue negatively impacting availability of funding for other needed public services.

Tuesday August 14, 2018

Attended *Meet and Greet With Daniel and Adam Didech* in Glenview. Spoke with both Daniel (IL State Rep., 59th District – challenger) and Adam Didech (Lake County Board, District 20 – challenger). Also spoke with Julie Simpson, Candidate for Lake County Board - District 18.

Daniel Didech's priorities include:

- lowering taxes for the middle class
- protecting women's right to choose by fully funding Planned Parenthood along with breast cancer screenings and reproductive healthcare
- fighting the "Trump Agenda"
- gun safety – supports commonsense gun laws including universal background checks, a ban on military-style assault rifles, a prohibition on devices used to make semi-automatic weapons work like fully automatic weapons, and state licensing requirement for all gun dealers in IL
- government reform – supports independently drawn legislative maps, proposals that would get money out of politics, elimination of the office of Lieutenant Governor, and consolidation of the offices of Treasurer and Comptroller

ELECTION NEWS

Lake County Board District 18

Lake County Board Chairman Aaron Lawlor announced he would be taking a 30-day leave for treatment of an addiction to an undisclosed drug. He represents Lake County Board District 18, which includes all of Vernon Hills and Indian Creek, as well as portions of Hawthorn Woods, Long Grove, Mundelein and unincorporated Lake County. Lawlor has entered rehab at a Hazelden Betty Ford Foundation Treatment Center.

Lawlor's political fundraising committee, Citizens to Elect Aaron Lawlor, was terminated by the state Board of Elections for failure to make required filings and to respond to a letter from the Board of Elections regarding this delinquency for 12 months. An outstanding fine of \$15,000 for

delinquent filing of required reports remains in force, and any successor political committees for the same candidate would be liable for the fine.

Lawlor was found to owe \$4,770 to Capital One Bank USA in a small claims court tort case. The judgment finding in favor of the bank was dated July 23, and the status of the case is now listed as closed. He was also named in a residential foreclosure case with MB Financial, which is now closed, from January of this year.

After learning that there were serious concerns about purchases made on Lawlor's procurement card over the last several months, Board members requested the State's Attorney's Office to conduct a special investigation. Using a procurement card for personal purchases is against the law, even if the purchases are reimbursed, as it is the unlawful use of taxpayer dollars. In this instance, there are questions regarding why it went on for so long, the approval process of those expenditures, and how much has been repaid to the County. The State's Attorney's Office called in an independent third-party organization to conduct a complete investigation.

An objection will likely be made regarding Lawlor's eligibility to run in the upcoming Gubernatorial Election. No alternative republican candidate has yet been named.

IL 51st Representative District

Incumbent *IL Rep. Nick Sauer* has withdrawn as state house candidate after sex scandal. The 51st District includes southern and central Lake County and a small area in Cook County. Sauer was publicly accused of "catfishing" other men by posting nude photos of an ex-girlfriend on a fake Instagram account and luring men into graphic discussions.

Republican officials have until Aug. 23 to name a candidate for the election. They also have 30 days from the day Sauer resigned to choose someone to replace him in the state House and finish his term, which expires in early January.

Sauer previously served on the Lake County Board and the Barrington Unit School District 220 board. He was also a member of the House Sexual Discrimination and Harassment Task Force.

Illinois Gov. Bruce Rauner called for Sauer's resignation and also sought to blame Madigan for fostering an inappropriate environment. Sen. Melinda Bush, co-chair of the Senate's harassment task force stated that if the allegations are true, it "goes beyond harassment" and crosses the line into "predatory and criminal areas." Bush, helped craft the "revenge porn" legislation. Under Illinois law, it's a felony to disseminate "private sexual images" without a person's consent.

Op-Ed: Selle

Term limits unneeded when there's dumb and dumber

Mary Mahady (D)

<http://marymahady.com/>

Education

- BA, Communications, Loyola University at Chicago

Professional Experience

No professional experience on file.

Key Issues

- Will crack down on corruption in Springfield and work towards higher ethical standards for our leaders
- Proponent of term limits for legislative leaders, campaign finance reform, and independent maps
- Dedicated to protecting the rights of workers and providing for middle class families
- Will protect Illinois against disastrous federal environmental policies and supports efforts to continue converting to clean energy initiatives
- The state needs to do what our Constitution says and provide a majority of the funding for public education
- Wants to see education as a priority and the role of educators elevated to a place of respect
- Property tax laws need to be reviewed and action taken to make sure the system is more equitable across the board.
- Will fight against any attempts to eliminate unions or create “right -to-work” conditions that will be detrimental to all workers across the state
- Will make sure there are enough facilities available to provide services at every economic level and that patients and staff are protected
- Supports legalization of marijuana
- Supports laws to restrict illegal guns from coming into the state, stricter background checks and licensing processes, and the ability of family members to remove guns from individuals deemed dangerous

Education

- MBA, Fuqua School of Business, Duke University, 1986-1988
- BA, Economics, Duke University, 1984-1987

Professional Experience

- M&A Investment Specialist, SteelRiver Infrastructure Partners, 2012-present
- Financial Consultant, DMC Rockford Limited Liability Company, 2011-2012
- Managing Director, Bank of America Merrill Lynch, 2007-2011
- Managing Director, Banc of America Securities, 2001-2005
- Managing Director, Chase Manhattan Corporation, 1988-2000

Key Issues

- *Reduce property taxes*
 - Is pushing [HB 1768](#) to reduce property tax levies by 10% total (5% each year for two years) for all local governments, except school districts and community colleges. The non-school tax levies would then be permanently frozen at the new lower tax levies. The legislation would also permanently freeze tax levies for school districts and community colleges.
 - Authored [HB 983](#), which allows taxpayers to more easily organize a referendum to oppose local borrowing proposals.
 - Sponsored [HB 4379](#) that creates the Local Government Travel Expense Control Act, which prohibits local government officials from spending taxpayers' money on entertainment expenses and limits expenses for travel, meals and lodging for local officials.
- *Limit income tax burden*
 - Opposed 32% increase in income tax rate enacted into law in July, 2017 and is leading effort to roll back this tax increase
 - Introduced HB4078 to repeal tax increases enacted into law under Senate Bill 9.
- *Restore fiscal sanity*
 - Chief Co-Sponsor of legislation (HB 643), which was signed into law, to stop a COLA increase
 - Introduced HB 350, which was signed into law, to prohibit public employee survivor benefits from being awarded to anyone convicted of a felony related to the service of their spouse.
 - Sponsored HB 175 in 2015 to allow people to report a possible violation of the act within 60 days of its discovery, rather than 60 days from the date of the meeting.

- *Supports term limits* – Sponsor of HJRC 11 that would limit General Assembly members to serving a maximum of eight years.
- *Ban red light cameras* - Sponsored HB 173 to ban red light cameras in non-home rule communities

- Vice President, Walker Information, present

Key Issues

- will fight for commonsense gun laws, including a ban on military-style assault rifles, universal background checks, and banning devices used to make semi-automatic weapons work like automatic weapons.
- will demand new protections that require insurance companies to provide care for all Illinois residents - including those with pre-existing conditions - and stop double digit premium increases.
- will stand with groups like Planned Parenthood to protect a woman's right to choose.
- will help small companies grow, maintain Illinois' strong infrastructure, and develop a well-trained workforce to build confidence in the state's financial stability.
- supports graduated income tax, limiting the use of TIFs, and increasing state support to public education will protect residents from rising property taxes.
- State needs to fulfill its financial obligations to local school districts and continue to build Illinois' strong higher-education system.

Professional Experience

- Outreach Coordinator, United States House of Representatives, present

Key Issues

- Will work to eliminate Madigan's 32% tax hike and enact pro-growth policies that bring jobs and people to Illinois and to close corporate tax loopholes and stop large companies from receiving tax breaks at public expense.
- Will work to restore fiscal sanity by structurally changing how the state operates and to fund education.
- Supports property tax freeze that gives local governments more control over spending, so that they can cut costs and spend local money where it's needed, on schools and infrastructure.

- Advisor, Rant Media Network, Limited Liability Company, 2011-2014

Key Issues

- Will work to cut burdensome fees on small businesses and provide tax credits for employers that create new jobs, while also banning taxpayer-funded deals for businesses that ship our jobs overseas and closing loopholes that let big corporations rig the system. He also wants to expand tax credits that help working families keep more of what they earn.
- Will work to fully fund our schools and bring additional resources to local classrooms.
- Will fight for property tax relief by eliminating wasteful local spending and providing additional tax relief to seniors and veterans.
- Opposes reckless cuts to senior care and is standing with AARP to stop a proposal that would strip life-saving care from elderly residents, eliminate criminal background checks on caregivers, and deny home-delivered meals to thousands of seniors.
- Will work to provide needed care and expanded job opportunities for veterans returning from combat, so they can access health care, job training, and other services as soon as they get home.

- Deputy General Counsel, State of Illinois, Central Management Services, 2010-2011
- Attorney, Murer Consultant, Incorporated, 2006-2009

Key Issues

- is a champion for people with disabilities, immigrant families, seniors, LGBTQ communities, women, and the economically challenged.
- supports universal health care, the Affordable Care Act funding, and providing funds for substance abuse treatment.
- will prioritize sustainability efforts, including partnering with local and statewide municipalities to address toxic storm water run-off, highlighting plans that encourage biking and walking, improving water conservation awareness, reducing emissions, diminishing light pollution, protecting bird habitats, increasing the use of solar power, and more.
- will push for a statewide assault weapons and large capacity magazine ban, effective universal background checks, closing gun show loopholes, ending straw purchases, and stemming the flow of illegal weapons pouring into Illinois from neighboring states.
- property taxes are too high because of the outdated school funding formula – supports progressive income tax structure.
- will strive to find bipartisan support for a budget that reflects our district's and state's priorities while spending less than annual state revenues.

Key Issues

- Supports Term Limits
- Balance the budget – fund necessary services, lower property taxes, and increase economic development
- Reform pensions
 - Move to a system where all employees hired from here on will get a defined contribution plan, like in the private sector, not a defined benefit plan with compounding interest.
 - Repeal Article 13 Section 5 of the Illinois Constitution in order to pass fair, meaningful, and sustainable pension reform in Illinois that provides public workers consideration in their pensions while reducing the unfunded liability.

Key Issues

- *Debt and spending*
- *Income and property taxes* - progressive tax that will hit the middle class the hardest
- *Business and economic development* - business-friendly policies, such as a lower tax rate, competitive workers' compensation premiums, lower property taxes and reducing or eliminate unnecessary mandates
- Ensuring a *healthy safety net* - Court orders and funding obligations required by law have squeezed out sufficient funding to help our aging and those with physical, mental and emotional challenges

Key Issues

Freeze property taxes – make the Lake County Assessor an elected position

Seniors – pass balanced budget that funds meals on wheels, lifesaving health care for the elderly, and keeps seniors safe in their homes

Fiscal responsibility - hold the line on taxes and spending; create surplus to help pay down old bills; cut government waste and bureaucracy; invest in schools; and reverse cuts to health care, breast cancer screenings, senior care, and domestic violence shelters.
