

## **Brad Graba Legislative Director Report for September 22, 2022**

During the last 2 weeks the legislative directors met virtually with Steve Elza and Jim Arey to welcome Katie Page to her new position and start to explain our role as legislative directors. I also sent Katie a list of the legislators we will be working with so we can divide up which of us works with which legislator.

We attended a fundraiser for Speaker Welch on September 21<sup>st</sup> and spoke with Representatives Greg Harris, Nick Smith, Marcus Evans, Chris Welch, Edgar Gonzalez, and Theresa Ma, as well as Treasurer Michael Frerichs.
